

Financial Policy

The Living Hope Counseling Center is a ministry of Moriah Baptist Association. The facilities are provided at no charge. However, there are expenses incurred for materials and supplies.

Counseling is provided at a charge of \$25.00 per session, payable per session. Sessions are typically fifty minutes in length. Counseling sessions that are scheduled after 4:30 pm will be charged an additional \$5.00 to offset the expenses needed to provide additional reception staff. To encourage our counsees to honor our time as we do in turn, we request that a \$25.00 cancellation fee be paid at the first session. This fee will be returned upon successful completion of the counseling program assuming that the counselee faithfully attends all sessions. Appointments may be rescheduled before the Thursday preceding the counseling appointment. Otherwise, the \$25.00 will be forfeited. If a counselor must ever cancel an appointment, he/she will reschedule it at a time amenable to the counselee.

Thank you for the opportunity to minister God's Word in your life.
